FROM YOUR COMMANDER

Happy New Year to all the Members of the 1st District Family!!

Now we are at the half way point of the Legion year. The 1st half of the year is over and now is when the real hard work begins.

Many different topics will be dealt with in the next few weeks. The fate of the District Newsletter, decisions on who will be running for District Officer positions in Legion, Auxiliary and SAL, the set up of District Convention and other matters. It is important that all members attend the Mid Winter Rally in Adams on January 4, 2014 at Post #146. This is your chance as a District Member to express your feelings on issues that matter most to you.

Membership is going strong. Now is when Post, Units and Squads need to start the door to door or phone calls to members who have not paid their Dues. We need everyone to ensure no member falls through the cracks.

When the National Commander David Dillinger visits the State in February, he will make 2 stops in the 1st District. He will have Dinner in Waseca on the 4th at 6pm at Waseca Post#228. He will then have Breakfast at Post #92 in Rochester at 8am the following day. All Post who have made Goal by then are given the chance to have their picture taken with the National Commander.

District One Chaplain

The Need for "God and Country"

In the beginning of our Nation's history, when it was still a colony of England, America covenanted with God in a unique sense, and later, when the Republic was born, God was recognized as the source of all fundamental rights. Since its very beginning, America has recognized God's purposes as standing above the Nation and the Nation's interest. The highest role a nation can play is to reflect God's righteousness in national policy and to promote God's purposes in all of life's relationships. The greatest and most significant heritage of our Country has been its spiritual heritage, our religious heritage. Apart from God, American history has no meaning. In this faith our institutions were created, our laws enacted, and our liberties secured. To safeguard America today, that same dynamic force of religion must prevail in our political, social and economic life. Our aim must be the same as that our Country's Founders, that religion must permeate every phase of living. Individuals belong to God alone, their purpose in life is to enhance God's glory and do God's will. Deploring the extent to which moral and spiritual values have been marked down in recent years, and at the same time recognizing our dependence upon Almighty God, the American Legion is continuing a nationwide effort to bring all Americans closer to the Creator, who so bountifully blessed the Country.

Carroll W Hill, Chaplain

Legion Family Members

I hope everyone had the opportunity to spend time with their family and friends over the CHRISTMAS Season. It is indeed a time of great joy and celebration.

It is that time of year when membership turn seems to slow down. I would ask that all the Posts tap some shoulders of those who have yet to renew or those who are eligible to join. What a wonderful thing to happen if we could all meet our goal. Remember, membership grows YOUR Post as well as the Legion as a whole.

I had a very nice trip to Spring Valley for their meeting this past month. There was great conversation on membership eligibility which seems to be open to interpretation. Thank you, Spring Valley for your hospitality and comradeship.

The District is always on the lookout for possible officer candidates. May Convention is not all that far away, so if interested get in touch with any of the current officers.

I wish you all a prosperous New Year not only in your life but the life of you Post as well.

!! THE FIRST DISTRICT NOW HAS A FACE BOOK PAGE !!!!!!!

We are happy to announce that all ten districts in the department of Minnesota now have face book pages. Ralph Schneekloth from Mabel Post 299 has volunteered to take care of the page and we want to thank him for taking that on. Our face book page is **MN FIRST DISTRICT**, please visit this page if you have a face book account and let Ralph know what you think. As of the writing of this article the face book has over one hundred likes which is great for the short time that it has been up. If you have anything to post on the District Face Book page please send it to Ralph at :

Greetings 1st District:

Another year has come and gone. Let's hope the next year shows an improvement.

We had a outstanding turnout at Osseo Post#172. The place was packed. Every rally should be the same. The meal was great.

It sounds like we had a very good Christmas program at Austin Post# 91. Congratulations to Time Weaver for winning the chili cook off. I understood there were a lot of Tums consumed afterwards. I'm sorry I wasn't able to attend, but that's what happens when you have young grandchildren in Christmas programs.

Midwinter is coming up January 4th, let's try to pack the Adams Post #146 like we did at Osseo. Let's have plenty of reports from our various committees.

We slipped a little in our membership standings. It's a new year and it is probably time for all posts to start knocking on doors and get those last few memberships.

I hope everyone had a Very Merry Christmas and I hope the New Year brings you joy and happiness.

Greeting First District American Legion Family,

We need everyone's support and help with membership. Remember membership is not one person but all of us. We are approximately 2% below last year's membership turn in at this time. PLEASE send in your membership weekly. By sending in weekly e have a chance at winning the Premier Race. Please also do not forget those serving us now and those who have an honorary membership from their post. Remember I am taking membership all the time. If you bring it to me at an event or want your vice commander to pick it up just call and I will help work something out to get it and mail it in so all membership counts.

Sincerely, Glenn Mueller, Membership Director 2013-2014

GREETINGS FIRST DISTRICT

Happy New Year to everyone in the American Legion Family,

Wow has this year been flying by....I cannot believe we are starting 2014. I hope it finds everyone health and happy. I pray for our service families that have lost loved ones and those missing loved ones during the Holidays. Please join me in keeping them in our prayers.

I have had a busy fall and start of winter. I made most visits but missed two due to weather. Hope to make those units when the weather starts getting better.

Thank you to all who have donated to my project we are over 800 dollars and Glenn my husband is looking for the disc and trying to get the best price.

On the 15th Of Dec we were in Austin for our chili cook off and caroling. We had a great group of people and everyone had a blast!! Tim won the chili contest but I think he rigged it somehow, that is ok all the chili was tasty. We did not have much for left overs so we sent that with Brian for him to take for next meeting with veterans on Tuesday...I hope they enjoyed it.

Next we have mid-winter in Adams. I look forward to seeing everyone and hope to see some new faces!!

News from Department was good on membership, with Minnesota being in 2nd place for the nation. At the District level we are not doing as well as we could but hope to see that number increase with the new year. Please remember to send those memberships in as quickly as possible. Everyone counts!!

Wrapping this note up I would like to say Thank you to all the American Legion Family for all the wonderful work you do, the stories you shared with me at the dinners and the great memories I have so far in my year!! You all are truly the best!!!

God bless you and the USA

Gnomes growing the American Legion Family!!

I hope that everyone had a safe and happy holiday season. As of the writing of this article we are currently at 1104 paid members for 2014. This places us in 6th place within the Detachment at 56.76%. I know we can do better than this and I would like to see us have a great turn in at our next District event. If you are currently sitting on memberships, please get these turned in as soon as possible so our numbers can reflect this.

On December 15th, we had our District Christmas Party in Austin. It was a great time spent by everyone who could attend within the American Legion Family. It was here where we had our 1st Annual Chili Cook-Off between myself, Legion Commander Brian, Auxiliary President Jill and Riders President Scuffy. All four chilis were great and even though I took first place, I would like to commend everyone who participated. I hope that we can continue this event every year at the Christmas party among the leaders within our District family.

On January 4th, we will be having our District Mid-Winter Conference in Adams. This is where we start to plan for the upcoming year. If you would like to become a District Officer and would like to learn more about the positions that are available, please attend and we can discuss with you the positions available and the responsibilities of those positions.

Please keep our servicemen and women in your prayers along with their families especially this time of year.

Respectfully Submitted,

Timothy Weaver
District 1 SAL Commander

Omelet Breakfast—LaCrescent Squadron 595, 8am to 12pm on the fourth Sunday of every other month starting with August.
